

## Jorn Wemmenhove

Jorn Wemmenhove is an urban change maker passionate about creating cities that are human and kind to ourselves, others and our planet. He co-founded Humankind; the agency for urban change, helping cities, companies & NGO's to accelerate urban change through creative strategies & activations. Projects connect public space and mobility creating active and inclusive cities. Working with a holistic approach with a multidisciplinary team of urban planners, creatives, transition theorists, communication specialists, social entrepreneurs, psychoanalysts, etc. he turns visions into actions. At the age of 20, he co-founded non-profit El Desafío Foundation, promoting youth development and local democracy in Rosario, Argentina. Jorn is on a mission to create urban happiness for all.
